OBSERVATIONS YESTERDAY.

WHEN are the delegates to be elected to is no time to lose.

back-Labor-Reform candidate for governor of colored, was elected a constatle. Massachusetts, and Dennis Kearney, the California Communist, is to take the stump for

THE Chicago Tribune states that there is a fair prospect that the Republicans of Chalmers's district will nominate a man who cannot be beaten, except by another resort to the "Mississippi plan."

THE people of Canada are delighted over the appointment of the Marquis of Lorne, Victoria's son-in-law, as governor of the Dominion. They can now have a real royal court, you know.

THE Louisiana sugar crop of 1877 is set down at 127,753 hogsheads, against 169,331 hogsheads for 1876. The largest crop ever raised was before the war; in 1861 the yield was 459,410 hogsheads.

THE convictions of Lambert and Case, the erjured presidents of two defunct New York life insurance companies, have been affirmed by the general term of the supreme court of that State, and the rescals will have to go to Holly Springs. that State, and the rascals will have to go to the penitentiary for five years each.

IT was feared in Pennsylvania that the result of the fall elections in that State were tion had become so formidable that it held ranks of the third 1 arty have revived hopes of a Democratic success.

THE congressional military commission have agreed upon the main features of a plan to reorganize the army, which will be report

ed to congress unless changes shall occur in the views of the members between now and the time for the reassembling of the committee in November next. THE German socialists or nationals, though at the recent election they cast a larger vote than ever before, have lost several seats in

parliament. The conservative people turned out and overwhelmed them at the billot-box. A vote aggregating ninety per cent, of the entire voting population was cast. GENERAL BOYNTON, Washington correspondent of tile Cincinnati Gazette, says that a great deal of romanor, or a great deal of

error is coming over from Europe in the shape of interviews with General Grant, and he proceeds to carrest some of the errors charging that the .x President furnished the materials for letters written by Boynton, which he now criticises.

THE St. Louis Post says that the next senator from Missouri will be the man who will set the furnace fires of Carondelet a-burning again and give employment to the heads of twelve hundred families. Tom Allen, of the Iron Mountain rairoad, can do this by an adjustment of the fleight rates on ore and pig meta', and if he does it in time it will add another to the many and good reasonfor supporting him for the senate.

THE Washington correspondent of the Baltimore Sun is authority for the statement that the administration is very desirous of avoiding a conflict or raising an open issue with the State of South Carolina, and there can be no doubt the President will avoid one, if he can consistently with the duties of his office, as he understands them. It is hinted, but not officially, that the revenue cases may be compromised without prejudice to the State, and this may account for the delay in the proceedings.

POSTMASTER-GENERAL KEY, the noble patriotic and incorruptible Democrat, who is a member of the fraudulent and Radical cabinet of Hayes, takes a large share of stock in the Grant movement. He thinks that if there is anything like the Potter investigation or a communistic outbreak threatening the public tranquility, two years hence, Grant would be be said against him. He doesn't believe the general is aiding the movement, but that he has plenty of zealous friends who are doing all the work.

THE Holly Springs Reporter calls the attention of the merchants and business men of Memphis to the fact that a contractor of that town, desiring to make purchases of building material in this city, addressed a letter to a firm here, inquiring prices of material and freight rates. The prices for material were made very reasonable, but the firm | ing down signs and breaking trees. A house wrote of freights in this manner: "It will cost you double as much freight to Holly Springs from this market-seventy-five miles-as i costs from Chicago to Memphis, a distance of several hundred miles." Why is this? asks the Reporter, Will the managers of the great Chicago, St. Louis and New Orleans railroad company enlighten the public on these small

matters? We hope they will.

To-DAY we publish the news of several dis astrous storms in the northwest, but the Pioneer Press, of Werlnesday, caps the climax by the announcement of a plague of ice being added to those of tropical heat and summer storms, which have so sorely afflicted the Minnesota harvest. Advices from various trymen hers, and the relations existing be quarters in that State make known the occurrence of a hail storm, on Tuesday, which, so far as heard from, swept, in a curving track, from Carver to Rice, and thence around into Dakota county, covering a track ten or twelve smiles wide, with hail-stone four or five inches laving transpired to change these friendly burg and J. S. Iverson met on the Carver to Rice, and thence around into ward that of the United States, which he believed was reciprocal. STORMS.

Two Persons Killed by Lightning in Holly Springs-A Tornado Passing Through Indiana and Ohio Destroys a Great Deal of Property.

Philadelphia Flooded by a Heavy Rain-Illinois and Iowa, Visited by Wind, Rain and Lightning ,Lose Much in Houses and Crops-Several Persons Injured.

Special to the Appeal. HOLLY SPRINGS, MISS., August 2 .- Durng a heavy rain-storm here this afternoon, James Briggs, a lad aged sixteen, and Louisa Malci, aged fourteen, while in their respectdoubtful, because the "National" organiza- ive homes, in the suburbs of this place, were struck by lightning and instantly killed. A the balance of power, but the divisions in the streak entered the telegraph-office, and spent its force in the brick wall back of the switch. Saveral persons were stunned in different parts of the town during the storm.

Tornado in Indiana and Ohio. CINCINNATI, August 2. - Advices from ontheastern Indiana state that a tornado swept through that country yesterday, damaging crops and buildings quite seriously. At Liberty a Methodist church was badly damaged, and the residence of J. M. Darco partially burned. At Eaton, Ohio, the corn flattened out over a large area, and apples and pears covered the ground in the vicinity of the orchards. Reports of the same were also received from Greenville, West Alexandria, and Rushville, Ohio.

Frightful Storm in Philadelphia. PHILADELPHIA, August 2.-Two heavy rain storms, accompanied by thunder and ightning, swept over the city this evening, doing considerable damage to the exposition buildings and goods therein. A portion of he roof of Wannamaker's establishment fell under the weight of water, but only one salesman was slightly injured. Cellars were o'clock, and at night. flooded on a level with the street in many MR A. P. CURRY. cases, doing immense damage to goods. caiverts were choked, trees blown down, and

Disasters by Storm and Lightning. DESMOINES, IA., August 2.-Warren Cooper, brother to the postmaster at Winters, Madison county, was killed by lightning, yeserday, while stacking hay. His companion, Mr. Hildebrand, was severely stunned. Two horses were killed, and the stack set on fire. The ampitheater and judges' stand at the air grounds at Winterset were totally destroyed by the storm last night. Other damages, but generally of a trifling character, are reported from along the over. The severity

of the storm was very unusual, and some fears are entertained of damage to the crops. At Various Points in Illinois. CHICAGO, August 2.-A telegram from central Illinois states that Wednesday night's storm did considerable damage to the crops and barns. In Clinton and vicinity the oss is estimated at fifty thousand dollars. The storm was less destructive but unusually iolent in Champaign, Havana, Springfield, Bloomington, Decatur and Tuscola. At Pekin the loss is twenty thousand.

Terrific Wind and Kain Storm in Southern Indiana. LOUISVILLE, August 2.—The News has intelligence of a most terrific wind and rain storm that visited a large portion of southern Indiana yesterday afternoon, the extreme southern edge reaching within about ten passages of wit, humor or pathos lown, fences prostrated, barns leveled or inroofed, and many buildings damaged The growing corn was torn up, twisted off, or laid flat on the ground, many hundreds of and Mississippi reilroad, from Lexington northward much damage was done to crops, fences and forests. The rain poured down in mourned by a large portion of the commu-broad sheets, fairly flooding the entire coun-nity.

try and swelling the streams to an unhight, washing away fences nominated and elected, despite all that could and grain-stacks, and sweeping off acres o corn. Hold a Meeting and Adopt Stringent Resolutions for the Punishment of Violators of Quarantine

Bouseholders Warned to Put their Premises in Good Sanitary Condition, and Keep them So-Help from Hopefield.

The board of health-all present-met at eadquarters last evening to consider what steps should be taken with violato s of quarantine regulations, as well as occupants of premises who have not yet removed nuisances on same. After hearing the facts con-cerning the parties crossing in skiffs from Hopefield, Thursday night, a resolution was presented and adopted without a dissenting roice. It is as follows:

Resolved, That no skiff, tug, ferryboat or water craft permit any passenger, baggage or freight from New Orleans or Vicksburg to cross the river in their crafts, from the Ar-kansas shore to the city of Memphis, under penalty of not less than fifty dollars for each ffense. Any person coming into the city in violation of the quarantine ordinance will be subject to the same fine. A copy of the above resolution was then

forwarded to police headquarters, which the river policemen were instructed to enforce. The matter of enforcing the penalty of the law as existing against nuisances on premises was also presented, and the following resolu-Resolved, That every owner, occupant or agent of any lot, building or premises be no-

tified at once to abate any nuisance on the same, and if not done within the time pre Resolved, That the ordinance requiring all gutters in front of property to be kept clean by the occupants of said property, or by its The following communication was re-

seived from the citizens of Hopefield, and

filed as part of the proceedings of yesterday's meeting: HOPEFIELD, August 2, 1878.
To the Officers of the Board of Health of the City of Gentlemen-At a meeting of the citizen: f this place to devise some means to prevent poats coming from New Orleans and Vicks

ourg from landing at this place, the followng resolutions were, upon motion, adopted Resolved. That we will obey any and all orders coming from the board of health of Memphis that will prevent steamers coming from New Orleans and Vicksburg from land ing at the Hopefield elevator, or at any place n the vicinity. Resolved, That Robert Richards, Hope Vance, C. P. Williams and Levi Conklin be appointed a committee to wait upon the board of health of Memphis, and present the aforesaid resolution, and to ask their aid in the JOHN LBONARD,

same.

L. WINCHESTER, Secretary, In the above matter the board of health agreed that their jurisdiction did not extend to Hopefield, and therefore they could not issue orders commanding faithful compliance with Memphis quarantine laws. Yet, inasmuch as the citizens of that city had volun-teered their services, they could only return thanks, and hoped for such co-operation as they may deem proper. On motion, a copy of the above resolutions was forwarded to the officers of the Hope

LETTERS FROM THE PEOPLE.

The Murder at the Fifth Ward Polls. EDITORS APPEAL-As a citizen of Memphis, I feel it my duty to call the attention of the public to the conduct of the two police on the day of the election. Doherty was in the challengers' stand, trying to get at Day, swearing he would kill him, fully one and men present at the difficulty in the fifth ward swearing he would kill him, fully one and one-half minutes before a shot was fired. The two above-mentioned officers were bot standing in the stand, and allowed the disturb ance to go on until the fatal result. It often appens in such a crowd that the innocen suffer rather than the guilty. A policeman' duty is to stop such rows, and when they stand by and allow "roughs" to shoot pistol into a crowd of unoffending citizens, they are not affording protection to the city, but an an expense for nothing. I trust the prope authorities will investigate the matter, and discharge or punish such men, so as to prevent anything of the kind in the future. EYE-WITNESS.

order WM. HENRY, Degree Master. QUARANTINE INSTRUCTIONS. BOARD OF HEALTH OFFICE, MEMPHIS, July 20, 1878. Special Order.]

Dr. A. A. Laurance will proceed at once to Quarantine Station, President's Island, and Immediately enter upon duty. He will have fu'l charge of the Station, and all persons on duty there will be subject to his orders.

He will stop all boats passing up the river, and make it thereugh examination of all passengers. make a thorough examination of all passengers coming from infected ports. If he finds anyone sick make a thorough examination of all passengers coming from infected ports. It he finds anyone sick with fever of a suspicious character, and has reason to believe he comes from New Orleans, or any intected port, and intends landing at Memphis or vicinity, he will at once have him removed from the boat quarantined and treated. He will have all freight coming from New Orleans, Vicksburg, or any infected port, for Memphis or vicinity, landed at Quarantine Station and thoroughly disinfected for ten days before being allowed to be moved to Memphis. He will require the clerk to receive the bills of lading, file the same, and give a proper receipt to the sceamer.

If the boat carrying the freight is a Memphis boat, and intends landing at Memphis, she will be detained at Quarantine Station for ten days and thoroughly disinsected for that length of time before being allowed to leave Quarantine Station, when he will give a certificate to that effect. He will not give a certificate to any boat to land at the wharf of Memphis, unless she is a local packet and no through boats. phis, unless she is a local packet and one that does not run to Vicksburg.

No Anchor-Like packets, and no through boats passing above Memphis, will be allowed to land at our wharf, but will be allowed to anchor in the river for the purpose of delivering the United States mail, receiving freight, coal, etc., by tag. No boats running to New Orleans, Vicksburg, or Infected ports from above Memphis, will be allowed to deliver freight or land at Memphis. By order of the Board.

J. H. ERSKINE, M. D., Health Officer.
